## **Customer Service Representative**

### **Who's There Group**

Are you creative, upbeat, smart, and productive? Do you know the difference between “your” and “you’re”? Are you out in the world doing fun, interesting things? Do you hate stifling workplaces and the social pressure to wear suits?

Then we want YOU.

We are the Who's There Group—Knock Knock and Em & Friends—entrepreneurs who've gotten it DONE (and are still getting it done). We create witty, design-driven gifts and stationery. About thirty of us do everything from concepting, writing, and designing our books and gifts to overseeing the all important logistical dynamics of manufacturing, sales, marketing and distribution. We are looking for a new Customer Service Representative to join our Customer Service (CS) department.

Here are some of the qualities we're looking for:

- Appreciation and exuberance for gift products, stationery, and books
- High level of creativity
- Energetic, positive, “can do” attitude
- Great sense of humor
- Proactive nature
- Ability to take constructive feedback and pivot accordingly

If this sounds like you, then please read all of the official stuff below and get in touch. We want to hear specifically why YOU want to work with US, and why WE want to work with YOU. Tell us your story in your awesome cover letter, and let us know the salary range you're looking for. We don't look at resumés that come in without cover letters or salary range info, and a killer cover letter will demonstrate that you took the time to look at our websites and social media feeds.
